The screenshot shows the 'Wensings Interactive - Directional Hexagrams' page. At the top, there is a navigation bar with links for Home, IChing, Qimen, Game, Account, and a language dropdown set to English. Below the navigation bar, three hexagrams are displayed, each with a green arrow pointing to an information icon (i):

- Initial Hexagram: Returning, The Return (复)** (复卦). It consists of the Earth trigram (Kun) over the Thunder trigram (Zhen).
- Middle Hexagram: Erosion, Peeling, Stripping (剥)** (剥卦). It consists of the Mountain trigram (Gen) over the Earth trigram (Kun).
- Last Hexagram: Observation, Contemplation (观)** (观卦). It consists of the Wind trigram (Xun) over the Earth trigram (Kun).

Below the hexagrams is a prominent blue button labeled 'I Ching Divination + AI', with a green arrow pointing to it. Underneath the button, the initial hexagram is detailed:

- Systematically analyze job descriptions and profiles of people in roles you want.
- Improve your interview preparation and questions.
- Increase your quality presence: thoughtful comments, short posts, or portfolio pieces.
- After each interview or rejection, reflect:
 - What did they seem to be looking for?
 - How did they likely perceive me?
 - What one thing can I adjust next time?

7. Final Advice: How to Work with This Energy

- **Do not panic about missed opportunities.**
 The hexagrams say: the real turning point (复) is **now**, provided you are willing to strip away the old (剥) an

- **Measure progress by alignment and clarity, not only by offers.**

In three months, realistic signs of success include:

- More interviews for roles that truly fit you.
- Clearer narrative of who you are professionally.
- A smaller, more focused set of targets.
- Stronger skills or a stronger portfolio.

- **Trust gradual but conscious change.**

The combination of 复-剥-观 describes a process:

1. **Reconnect** with your authentic direction.
2. **Remove** what no longer fits.
3. **Observe and adjust** your strategy and image.

If you follow this path steadily over the next three months, the “better job” becomes not just a hope, but a n aligned you.
